Book Chatters

In February, The Book Chatters will each be choosing an adult and children's title or article written by the author, Sy Montgomery. From Amazon.com -

"Part Emily Dickinson, part Indiana Jones," as the Boston Globe has called her, Sy Montgomery has been chased by an angry silverback gorilla in Zaire and swum with piranhas and pink dolphins in the Amazon. To research her books, films and articles, she has worked in a pit swarming with 18,000 snakes in Canada and been hunted by a tiger in India. No place is too far to go to bring animals' true stories to adults and children around the world.

Join us on Tuesday, Feb. 27 at 6:30 pm in the Wolfe Community Room for a WILD discussion of this author's works. Her books will be on display with the other book club selections. For more information, see Cheryl or email - cheryl@nbpubliclibrary.org

View and Chew

The FREE movie for February will be the romantic comedy "Which Brings Me To You" starring Lucy Hale and Nat Wolff. The storyline from IMDB.com is stated as:

"Two romantic burnouts meet at a wedding and almost hook up in the coatroom before putting the brakes on. They agree to exchange candid confessions about their pasts on the off chance that this might be the real thing."

The movie will be shown on Thursday, February 15th with a start time of 6 pm at The Virginia Theater (119 N. Main St.)

The theater doors will open at 5:30 pm. Concessions will be available for purchase. We look forward to seeing you, and maybe your Valentine or Galentine too!
