There will be lots of colorful contests and interactive displays around the library and online, too! View and Chew

For the month of June, and in staying with the Summer Reading art theme, our View & Chew movie will be The Monuments Men starring: George Clooney, Matt Damon, Bill Murray, Cate Blanchett and John Goodman

Based on the true story of the greatest treasure hunt in history, about an unlikely World War II platoon, tasked by FDR with going into Germany to rescue artistic masterpieces from German thieves and returning them to their rightful owners.

The movie will be shown on **Wednesday**, June 18th with a start time of 6 pm at The Virginia Theater (119 N. Main St.). The theater doors will open at 5:30 pm. Concessions will be available for purchase. We look forward to seeing you there.

Hands on Pottery Workshop

On Wednesday, June 12th at 6 pm we welcome Andrew Steingass, a professional potter and teacher at Ohio Northern University. The first 30 people to sign up, starting at 5:30 pm, will have the chance to create a "masterpiece" in clay. Andrew will then take the items to be fired and returned the following week to be picked up.

Book Chatters

Book Chatters will be meeting this month on Tuesday, June 24th at 6:30 pm at the NB Historical Society. They will be discussing the title The Woman They Could Not Silence by Kate Moore.

This gripping and meticulously researched narrative shines a light on the remarkable journey of Elizabeth Packard, a pioneering woman whose indomitable spirit challenged the confines of her time.

All are welcome to join us. A complete list of books are available at the library and on our website. Don't forget you can check Libby and Hoopla to get these titles as well.
